

Godown Breakage & Reboxing in Brewery

1. Brewery Login on Portal with its Credentials and then there is an option for Godown Breakage Entry Under Daily Operations.

The screenshot shows the login page of the 'उत्तर प्रदेश आबकारी विभाग' (Uttar Pradesh Excise Department) portal. The header includes the government logo, the department name in Hindi, and the login status 'Logged in as: 9719103993'. The main navigation bar lists various services like 'Home', 'Daily Operations', 'Accidental', 'Brand Label', 'CSD Permit', 'Export Operations', 'Financial', 'Gatepass validity Extension Request', etc. The 'Daily Operations' menu is expanded, showing options like 'Bottling 2022-23', 'Boxing 2022-23', 'FLB11 Dispatch', 'FL36 Gatepass After Approval', 'Godown Breakage Entry' (highlighted with a black arrow), 'Plan 2022-23', 'Production', 'Reboxing', 'Request For FL36 Gatepass', and 'Transfer Beer To Bottling Vat'. A 'BEER' logo is also visible.

2. Here, First they Select their unit type & then License Number.

The screenshot shows the 'FL3/FL3A Godown Breakage' form. The header is the same as the previous screenshot. The form title is 'MOHAN MEAKIN BREWERY LTD' with the unit 'solan brewery solan hp'. Below this, there are fields for 'License Type' (radio buttons for FL3 and FL3A) and 'License No' (a dropdown menu). A table with 9 columns (Sno, Brand, Size(ML), Available Bottle, Available Box, No Of Box Per Case, Breakage Bottle, Breakage Box, Stock Bottle) is present. Below the table are 'Save' and 'Reset' buttons. At the bottom, there is a section for 'Uploaded/Pending for Upload' with a table having 7 columns (Sr.No, Created Date, Brand Name, Packaging, Box Size, Breakage Bottles, Breakage Boxes). The footer contains the same copyright and IT solution information as the previous screenshot.

3. After this in Below Table, Stock Available in Unit at its Godown will be displayed, Here they will fill out Breakage Bottles and Boxes then Save it.
